Presenting

The Bulldog

1966

Brantley High School, Brantley, Alabama

Editor-Martha Morgan

Associate Editor-Peggy Morgan

Sponsor-Mrs. Margaret S. Hollis

In appreciation of their helpfulness, understanding, cheerfulness, and friendly interest through many years of dedicated service, the staff gratefully dedicates to Mrs. Bob Beck and Mrs. Joe Wyatt this 1966 edition of the Brantley High School Bulldog.

When young people finish high school and go forth to take their place in society, they should accept the responsibility and obligation that go with the privileges and opportunities that they will enjoy.

With our changing and expanding civilization and technological advances, you will be challenged to compete in a world vastly different from the one we live in today. It will take ability, preparation, and desire to advance in our world of tomorrow.

To those students who have not yet completed their high school work, may the accomplishments of our departing seniors be encouraging and inspiring, preparing you to be better and more worthwhile citizens.

Beta Club

The National Beta Club is a non-profit leadership-service organization for high school students. Its purpose is to stimulate effort, reward achievement, and to encourage and assist its members to continue their education after high school. The qualifications for membership in National Beta Club are worthy character, good mentality, creditable achievement, and commendable attitude. Prospective members must be approved by the head of the local high school. The Brantley Chapter of National Beta Club has its projects an annual contribution of \$100 to the school library and the publication of the school newspaper, BULLDOG HI-LITES. Its sponsor, Mrs. Felix Tisdale, directs the club in its various activities.

Glee Club

Membership in the Brantley High School Glee Club is limited to senior high students who enjoy singing. This group presents chapel programs and provides vocal music for graduation exercises.

ATHLETICS

Brantley's cheerleaders did an outstanding job of sparking school spirit and supporting Bulldog teams. They attended Cheerleader Clinic at the University of Alabama, and used original and entertaining ideas to increase interest in pep rallies. The cheering squad was also instrumental in making a success of the Heart Drive in Brantley by conducting a roadblock and collecting money.
